

Western Springs Service Club will open the East and West pools for lap swimming, swim lessons, and swim team practices. We plan to open on Monday June 15th with IDPH and CDC protocols in place. WSSC will be adding extra lanes in the East pool to accommodate more swimmers. This is just our initial plan to get things open, however, we are aware that this is an ever-evolving situation and will continue to make changes as we are given more information.

Pool Policies and Protocols

- Stay home if you or any family members feel ill.
- Use the designated Entrance and Exit doors when entering and leaving the facility.
- Make sure you stop at one of the entrance points to check in. All of our members must be accounted for.
- Wear a mask when entering and exiting the facility or when using the restrooms.
- Come to the pool in your suit. Changing rooms will not be available.
- Keep social distance from others and please do not move the furniture.
- Please use the facility only once per day to allow all of our members a chance to enjoy our pool (it is likely we will be operating under a capacity restriction).
- Families can swim in a lane together.
- No guests will be allowed this season.
